

## Empower, Innovate, and Lead with Us at

Step into the future of education at LatinX EdTech at ProXimo, where technology, educational excellence, and economic innovation converge. In partnership with STTE Foundation and 196 Ventures (formerly EduLab Capital), this summit is a catalyst for transforming how EdTech empowers the U.S. Latino innovation community. As a sponsor, your brand will be at the forefront of advancing educational outcomes and economic opportunities for one of the nation's fastest-growing demographics.

Founded on the U.S. -Mexico border in El Paso, Texas, the LatinX EdTech Summit was created to bridge the digital divide in underserved communities through actionable EdTech solutions. It has since become a vital platform, attracting EdTech founders from across the Americas to drive innovation in schools and impact Latino students nationwide. After two successful El Paso events and a national roadshow, STTE Foundation and 196 Ventures are expanding this initiative to ProXimo—a premier stage for Latino entrepreneurship and investment.

ProXimo is more than an event—it's a movement. Founded by Gary Acosta (NAHREP co-founder) and media powerhouse Nely Galan, ProXimo is redefining Latino leadership in business, tech, real estate, sports, finance and education. With elite networking, transformative insights, and a focus on power and legacy, ProXimo is where the brightest minds come together to shape the future.

**Join us in San Diego, September 18-21, 2025, for an opportunity to inspire, connect, and empower the next generation of education trailblazers.**

# Sponsor Leaders in Education

**LatinX EdTech Summit 2025**

**San Diego, CA | September 18–21, 2025**

**Presented by STTE Foundation & 196 Ventures**

At the LatinX EdTech Summit, the brightest minds in education and technology come together to shape the future. By sponsoring A Leader in Education, you fund access for educators to attend this national event—where they'll gain exposure to cutting-edge tools, AI innovation, and community-driven solutions.

## Why Sponsor an Educator?

Your organization works with schools and districts every day. This is your chance to give back—directly to the educators you partner with.

By sponsoring a teacher, counselor, or school leader to attend the LatinX EdTech at ProXimo, you're not just funding a ticket—you're investing in the professional growth of those shaping the future of education.

## Your support helps educators access:

- Cutting-edge AI and EdTech tools
- Hands-on workshops and leadership tracks
- A national community of changemakers

## Sponsoring a Leader Means You:

- Strengthen relationships with the schools and districts you already serve
- Show your commitment to educator empowerment and innovation
- Gain visibility as a trusted partner who gives back to the education community

**Give back to your district partners and elevate Latino educator representation in EdTech—with a \$1,000 sponsorship that matters.**

## Educator Sponsorship Packages

By sponsoring a Leader in Education, you're not only supporting access to cutting-edge EdTech and AI leadership, you're also giving back to the very schools and educators you do business with—building trust, visibility, and long-term impact
